## FULL STACK WEB DEVELOPER

 tawid\_kty@outlook.com  (+66)98-884-7142  Chiang Mai, Thailand

### SUMMARY

Recent master's degree graduate in civil engineering, now transitioning into a role as a Full Stack Web Developer and able to switch between Frontend and Backend roles. Combining analytical skills in problem-solving with a newfound passion for coding and web development, I am eager to contribute to innovative projects and kickstart the career path that I have chosen in the tech industry.
